**Product License Agreement**

The parties to this agreement are you, the end customer, and either (i) where you have purchased your Product from an authorized reseller, or (ii) where you have purchased your Product from Fortinet. You agree that the terms of this agreement supersede any other terms that may appear on your purchase order or on any invoice relating to your purchase. Fortinet Singapore Private Limited (such referred to herein as "Fortinet"). CAREFULLY READ THE FOLLOWING LEGAL AGREEMENT, WHICH GOVERN THE TERMS OF SALES OF SPECIFIC PRODUCTS OR SERVICES SOLD BY FORTINET (TOGETHER, THE "PRODUCTS") AND ANY UPDATES THERETO, INCLUDING HARDWARE, APPLIANCE PRODUCTS, SOFTWARE PRODUCTS, SERVICES, THIRD-PARTY PRODUCTS (SUCH AS HARDWARE, APPLIANCE PRODUCTS, SOFTWARE PRODUCTS, SERVICES, OR COMPONENTS), SERVICES SOLD BY FORTINET (TOGETHER, THE "PRODUCTS") CONSTITUTES ACCEPTANCE BY YOU OF THE TERMS AND CONDITIONS OF THIS AGREEMENT ("AGREEMENT") AND BINDS YOU TO SUCH TERMS AND CONDITIONS. This AGREEMENT is between you and Fortinet. The term "Software" as used throughout this Agreement, includes all Fortinet and third party firmware and software products you are provided with, or incorporated into, Fortinet Products. These Products include, but are not limited to, the accompanying open-source software contained in Fortinet’s Products which is discussed in detail in section 19 below, and the term “Software” includes any software distributed in source code form, as well as the executables of the Software as firmware provided to you by Fortinet, at its option. Fortinet grants to you a non-transferable (except as provided in section 9.8) and non-exclusive, revocable license to use the Software solely for your internal business purposes provided that: (i) a substantial portion of your business is to provide managed service provider services to your end customers, you may use the Software embedded in FortiGate and supporting hardware appliances to provide those services, subject to the other restrictions in this section; and (ii) you agree to remove any and all copies of the Software from your servers and other systems immediately upon termination of your relationship with Fortinet. The Software relates to Fortinet’s trade secrets and proprietary information. The Software is solely for your internal business purposes and may not be transferred or disclosed to any third party or used for any purpose other than the purpose for which you have acquired the Software. You shall not distribute, lease, sell, sublicense, or otherwise transfer the Software, or any portion thereof, in whole or in part, by any means or to any person or entity that originally purchased the Software from you, without the prior written consent of Fortinet. You shall indemnify, defend and hold harmless Fortinet from any and all claims, demands, judgments, or actions against Fortinet resulting from your violation of this Agreement. Fortinet shall provide you with reasonable assistance in defense of any such claims as you direct but at your cost. Fortinet may transfer the Software and accompanying documentation, or, in the case of blades, blade CPUs or databases, on the condition that you cease to use the Software and that you destroy the Software and all copies of the Software except as provided in section 5, transfer assign or sublicense to right any other person or entity, (d) remove any proprietary notices, labels, or restrictions on use from the Software, without any restrictions or limitations, (e) use the Software in any manner that includes, without limitation, in a commercial time-sharing or service bureau use or use the Software to provide services to third parties except as expressly provided in this Agreement, and (f) modify the Software.

5. Transfer.

If you are a Fortinet contracted and authorized reseller or distributor of Products, you may transfer (not rent or lease) any Product to a customer, who then agrees to be bound by the terms of the original Agreement. You must provide us with (i) a written agreement; (ii) evidence that the customer has agreed to the terms of this Agreement; and (iii) the name and contact information of the customer. You agree to follow all laws that apply to the transfer or sale of Products. You warrant to us that you are not in violation of any agreement with Fortinet that restricts your ability to transfer the Product. You authorize Fortinet to sell the Product to the customer. You acknowledge that we may not agree to the transfer or sale of the Product to a customer. You agree that, upon such termination, you will cease using the Software and any Product and either destroy or return all copied or altered Products.

Fortinet provides this limited warranty for its product only to the single end-user person or entity that originally purchased the Product ("Original Licensee"). If you are an authorized reseller or distributor of Products, the limited warranty is only valid for Products which are properly registered on your Fortinet Support Website, as evidenced by a valid activation code. Fortinet does not provide any warranty for Products you transfer to another party from that party’s own original purchase. Fortinet’s limited warranty only applies to software that is provided by Fortinet and not to any third-party hardware or software products. Fortinet does not warrant or support the use of such third-party products. You agree to use such third-party products in accordance with their terms of use and licensing agreements. To receive a warranty claim, you must provide Fortinet with the following information: a) your name; b) your company; c) the serial number or model number of the Product; d) the date of original purchase; e) the date of the problem; f) a complete description of the problem; and g) the software license validation number, if applicable. If Fortinet determines that the Product is covered by the warranty, Fortinet may, in its discretion, replace the defective hardware (or any part thereof) that is replaced by Fortinet, or, for which the purchase price is refunded, shall become the property of Fortinet. If the Product is replaced, a new or reconditioned Product will be shipped to you. Fortinet shall notify you in writing if replacement is not available for the Product. If the Software does not substantially conform to Fortinet’s functional specifications for the Software for any reason, you may return it to Fortinet for a refund of the purchase price. You agree that Fortinet has no obligation related thereto. Except as otherwise agreed by Fortinet in writing, the warranty replacement or refund for a Software Product that does not substantially conform to Fortinet’s functional specifications for the Software does not extend the Software Warranty Period. Fortinet provides this warranty for Products only to the Original Licensee. Fortinet shall not be obligated to provide the non-conforming Software (and all copies thereof) first returned to Fortinet. The license grantee that originally purchased the Product is entitled to one replacement Product, or, for any Open Source Software covered under the GPL, you may continue to use, copy, modify and redistribute such version of the Software. EXCEPT FOR THE LIMITED WARRANTY SPECIFIED IN SECTION 6, ABOVE, THE PRODUCT AND SOFTWARE ARE PROVIDED "AS IS" WITHOUT ANY WARRANTY OF ANY KIND, INCLUDING, WITHOUT LIMITATION, ANY IMPLIED WARRANTY, IMPLIED OR EXPRESS WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.
