Product License Agreement

The parties to this agreement are you, the end customer, and either (i) where you have purchased your Product from Fortinet Singapore Private Limited (such referred to herein as "Fortinet"), CAREFULLY READING THE FOLLOWING LEGAL TERMS AND CONDITIONS OF THIS AGREEMENT (THE "Agreement"), including the Software License Agreement (the "Software License Agreement") and theアップロードファイルを確認してください。ありません。
1. You may copy and distribute verbatim copies of the License itself, with the source code for the Library (or any work based on the Library) on a volume of or other medium customarily used for software distribution, such as a floppy disk.

2. You may copy and distribute verbatim copies of the source code for the Library (or any work based on the Library) on a volume of or other medium customarily used for software distribution, such as a floppy disk.

3. You may embed copy of the source code for the Library (or any work based on the Library) on a volume of or other medium customarily used for software distribution, such as a floppy disk.

4. You may modify or distribute the Library (or a portion or derivative work of the Library) on a volume of or other medium customarily used for software distribution, such as a floppy disk, provided that you conspicuously and appropriately publish on each copy an appropriate copyright notice and a notice that there is no warranty (or else, saying that you provide a warranty) and that users may redistribute the program that is derived from the modified version under the terms of Sections 1 and 2 above on a volume of or other medium customarily used for software distribution, such as a floppy disk.

5. You may embed copy of the source code for the Library (or any work based on the Library) on a volume of or other medium customarily used for software distribution, such as a floppy disk.

6. You may modify or distribute the Library (or a portion or derivative work of the Library) on a volume of or other medium customarily used for software distribution, such as a floppy disk, provided that you conspicuously and appropriately publish on each copy an appropriate copyright notice and a notice that there is no warranty (or else, saying that you provide a warranty) and that users may redistribute the program that is derived from the modified version under the terms of Sections 1 and 2 above on a volume of or other medium customarily used for software distribution, such as a floppy disk.

7. You may embed copy of the source code for the Library (or any work based on the Library) on a volume of or other medium customarily used for software distribution, such as a floppy disk.

8. You may modify or distribute the Library (or a portion or derivative work of the Library) on a volume of or other medium customarily used for software distribution, such as a floppy disk, provided that you conspicuously and appropriately publish on each copy an appropriate copyright notice and a notice that there is no warranty (or else, saying that you provide a warranty) and that users may redistribute the program that is derived from the modified version under the terms of Sections 1 and 2 above on a volume of or other medium customarily used for software distribution, such as a floppy disk.

9. You may embed copy of the source code for the Library (or any work based on the Library) on a volume of or other medium customarily used for software distribution, such as a floppy disk.

10. You may modify or distribute the Library (or a portion or derivative work of the Library) on a volume of or other medium customarily used for software distribution, such as a floppy disk, provided that you conspicuously and appropriately publish on each copy an appropriate copyright notice and a notice that there is no warranty (or else, saying that you provide a warranty) and that users may redistribute the program that is derived from the modified version under the terms of Sections 1 and 2 above on a volume of or other medium customarily used for software distribution, such as a floppy disk.

11. The library user mustago comply with the above requirements if you modify or distribute the library, or any derivative work based on the library.

12. Additional terms may be added to your version of the library by the specific permission of the copyright holder.
