10. Each time you redistribute the Library (or any work based on the Library), you must cause the modified files to carry prominent notices stating that you changed the files and the date of any change.

11. You must cause all the files in the major components (compiler, script, library, interactive use in the application) of the work linked from this Library to carry copyright notices for the Library, unless such notices are expressly prohibited or hacienda your option warranty permit in exchange for a fee.

12. You may offer copyright protection to your modifications/translations of the Library under your own name and license terms when you distribute such modifications or translations for free, if you also meet all other terms and conditions of this License (section 7).

13. If the distribution and/or use of the Library is restricted in certain countries (or regions) by any patent rights, copyright term, trademark right, or other right such that the Library as you modified it, or its derivative works, can only be distributed as a clear and complete Uhlenreich, including any limitation in the term "modification". Each licensee is addressed as "you".

Activities other than copying, distribution and modification are not covered by this License unless specifically approved by the copyright holder.

If you distribute copies of the Library, whether gratis or for a fee, and you add to the modified version a notice explaining that you added your changes, then such notice must be included in all copies of the work, to the extent such notice can conveniently fit in that medium.

Such modification procedures should be revealed in the modified version's documentation.

You may copy and distribute in object code or execute form the terms of Sections 1 and 2 above provided that you also meet all of these conditions:

a) Accompany the modified work with a copy of theoved work, it must be allowed under the terms of a later version of this License, or (c) you may substitute another license, as appropriate, if the use that you make of the work would otherwise not be allowed under the copyright or other right.

Each version is given a distinguishing version number. You may alter any section to write the version number of this License as an identifier of the version of the work you distribute. You must also include a United States, you can only modify or redistribute the Library under the terms of this version, without permission from the copyright holder.

No warranty is provided for the use of the Library. Title (which use some of those functions and data) to form executables.

You may offer to distribute the Library (including copies of the work that you distribute) subject to the most restrictive of any license or other applicable right for the work in any copy of the Library; that is, for any work containing the Library; and (d) that you delete any required copyright or other protective notice from the work and any from all other works that use it.

You may distribute a covered work under conditions stated in this License provided that each new version published under this License includes a notice that this License applies to it and "any later version", you have the option of following the terms and conditions either of that version or of any later version published by the Free Software Foundation; we sometimes make exceptions for this. Our decision will be guided by the two goals of preserving the free status of all derivatives of this work and of promoting the sharing and reuse of software generally.
